

30% of final grade; due: Wednesday, August 18, 2021

For this assignment, you will create a customary for your parish of the principal Sunday celebration of the Holy Eucharist with the administration of Holy Baptism. In addition, a bulletin should also be submitted that provides everything that a person would need to follow the service (see separate document on Populi with guidelines for the bulletins and examples of good bulletins). The assignment should be submitted in Word or Word-compatible format. This customary should describe in detail the following items:

1.
 1. **What must take place in the church building and in the sacristy to set up for the service.** This includes eucharistic vessels, linens, flowers, vestments, books that need set out, service leaflets, etc. These setup instructions should say at which time the setup should begin and who is to execute the setup. Photographs are idea for this (i.e. a photo of the altar as it is to be setup, the Credence Table, the table where the bulletins are to be placed, etc.).
 2. **Detailed instructions for how to execute the service.** These instructions could take one of two forms.
 - Form 1: A narrative that describes what each person does in order, including diagrams where necessary.
 - Form 2: The text of the entire liturgy with detailed instructions/rubrics that also describes what each person does in order, including diagrams where necessary.
 3. **Detailed instructions for what is to be done at the conclusion of the service.**

It is essential that you conform to the rubrics of the ritual text that you use (1979 American BCP, 2019 ACNA BCP, etc.). Your customaries need to cite your texts, and quote them when necessary, and its easiest if this is done parenthetically (BCP, p. 29). However, be aware that you will almost certainly need to edit the rubrics of the ritual text to conform to what will actually happen (the rubrics should only say what *will* happen in this liturgy, not list all the options that could be taken). You will also need to supplement the rubrics with additional directions about sitting, standing, kneeling, and other particulars that a participant would need.
